Profile

I build web applications from database to interface. Since January 2022, I have developed EMX at Emultimax alongside personal projects using Next.js and PostgreSQL and tools for working with AI agents. My experience spans ERP/WMS systems, e-commerce and daily development with Claude Code.

Technical skills

Frontend: TypeScript, JavaScript, React, Next.js, HTML, CSS, Tailwind CSS
Backend and data: Node.js, NestJS, Express, REST APIs, PostgreSQL, MSSQL, Drizzle, Prisma
Tools: Git, GitHub, Claude Code, AI agents; C# / .NET / WPF in a desktop project

Professional experience

Web Developer | Emultimax | 01.2022 - Present
Develop and maintain EMX, an internal ERP-class system built with React, Node.js and MSSQL. Designed and implemented a WMS module; support the company online store and build and maintain corporate websites. Collaborate in a team using Git version control.

Developer | Freelance | 11.2020 - Present
Build and maintain web applications from frontend and backend to deployment. Previously built and developed the vape-point.pl online store.

SEO Specialist | Sunrise System | 10.2021 - 12.2021
Analysed websites for SEO, implemented on-page changes and collaborated with the copywriting team.

Selected projects

PlaceMates | web application and PWA | 2026
Shared map of places, group ratings, lists and a trip planner with routes. Next.js 16, React 19, TypeScript, Supabase / PostgreSQL, PostGIS, Drizzle, MapLibre, Tailwind CSS.
placemates.pl | github.com/DamianoCode/PlaceMates

Tutor assistant | in development | 2026
Students, scheduling, recurring lessons, lesson plans and tests; web application and PWA. Next.js 16, React 19, PostgreSQL, Drizzle, Better Auth, dnd-kit, Zod, Vitest. Private repository; demo on request.

Claude Code widget | Windows application | 2026
Tracks session states, usage limits and context; automatic updates. C#, .NET 10, WPF, Velopack and a VS Code extension in TypeScript.
github.com/DamianoCode/claude-widget

Claudius | Claude Code plugin | 2026
Adapts the workflow to change risk, with requirements, subagents and independent review. Claude Code, hooks, Node.js.
